MONMOUTH COUNTY PARENT LEADERSHIP ROUNDTABLE SPRING 2019

Come to the table and meet with fellow parent leaders in your county! Discuss strategies, challenges and success stories for running a school district-based Special Education Parent Advisory Group (SEPAG) or a community-based group.

Our Spring Roundtable will include a representative from the NJ Department of Education who will be discussing the School Performance Reports. The School Performance Reports reflect the New Jersey Department of Education's (NJDOE) extensive efforts to engage with parents, students and school communities, and share the information that is most valuable in providing a picture of overall school performance. We will discuss how these reports will help you to:

- Learn more about your school and district
- Start conversations with school community members and ask questions
- Engage with school communities to identify what schools are doing well and where they can improve
