Dear Parent or Guardian:

The Oceanport School District is pleased to announce a new and innovative method for presenting parents/guardians with New Jersey Student Learning Assessment (NJSLA) Individual Score Reports. This is in response to feedback from stakeholders during the two phases of outreach to the public conducted by the New Jersey Department of Education (NJDOE).

In addition to traditional paper Individual Score Reports (ISRs) delivered by schools, video versions of the ISRs are currently available via the online parent portal (<https://nj-results.pearsonaccessnext.com/login>). The video score report communicates information from the ISR through animations and a voiceover in New Jersey's top five languages: English, Spanish, Chinese, Portuguese, and Arabic. The portal will also allow for parents/guardians to track their student's scores from year to year, beginning with spring 2019.

The printed ISRs that were delivered to parents/guardians on September 20, 2019, include the claim codes that parents/guardians can use to access their child's performance results in the NJ Parent Portal. Parents or guardians must create an account on the parent portal and use the claim code provided on the student's ISR to add the results to their profile. Once parents/guardians create their accounts, they can add codes for additional students and/or administrations by adding new codes to their accounts.

We are excited about the opportunity to strengthen our efforts to effectively communicate your child's performance on the New Jersey Student Learning Assessments with you. If you have any questions, please feel free to contact Mrs. Gerri Martinez, Supervisor of Curriculum and Instruction, at (732) 542-0683 X2215.

Sincerely,
