

OCEANPORT BOARD OF EDUCATION
REGULAR MEETING MINUTES
Wednesday, September 26, 2018
Maple Place School
2 Maple Place, Oceanport, NJ

I. CALL TO ORDER - The meeting was called to order by President McMullin at 7:05 p.m.
"In accordance with the provisions of the Open Public Meetings Act, the Oceanport Board of Education has issued notice of this meeting to be publicized by having the date, time and location of the meeting posted at Maple Place School, Wolf Hill School, Oceanport Borough, Sea Bright Borough, The Link and mailed to the Asbury Park Press, which has been designated as the Board's official newspaper. Notice was also filed with the Borough Clerk and sent to those persons requesting that such notice be mailed to them."

II. SALUTE TO THE FLAG

III. STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred for Board review at a Committee of the Whole meeting. The members of the Board work with the Superintendent and the administration to assure that the members fully understand the matter. When the Board and Administration are satisfied with the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

c.I will confine my Board action to policy-making, planning, and appraisal and I will help to frame policies and plans only after the board has consulted those who will be affected by them.

d.I will carry out my responsibility, not to administer the schools, but, together with my fellow Board members, to see that they are well run.

e.I will recognize that authority rests with the Board of Education and will make no personal promises nor take any private action which may compromise the Board.

But in all other matters, I will provide accurate information and, in concert with my fellow Board members, interpret to the staff the aspirations of the community for its schools.
