STATEMENT TO THE PUBLIC

If it is a month with two meetings, the first meeting is considered a "workshop" meeting to offer informational presentations as needed and to discuss agenda items. These workshop meetings are also referred to as "Committee of the Whole" meetings and feature a review of the month's agenda, discussion among board members about various issues, informational presentations by administrators and a public forum for residents to be heard. They do not typically feature formal action by the board, but the board reserves the right to advertise the meeting as one in which action may be taken if necessary. There is one opportunity for public comment during a workshop meeting.

PUBLIC COMMENTS

Time may be allocated for public comment at this meeting. Anyone wishing to address the Board, please state your name and address. Each speaker may be allotted a limited time when recognized by the presiding officer. Although the Board encourages public participation, it

reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not keeping with the conduct of a proper and efficient meeting. The Board will not, during the public portion of this meeting, discuss matters involving building or property security procedures, or the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the job performance of, promotion or disciplining of any specific or prospective or current employee and/or students.
